▶ 1.

What are the educational requirements to be eligible for licensure? What about those who went to school outside the U.S.?

▶ 2.

What should you know about the IPAL program? Should you consider going to an IPAL school?

▶ 3.

What are the AXP requirements and what's the best way to keep track of those hours?

▶ 4.

What do you have to do to be eligible to take the ARE?

▶ 5.

How long should you spend studying for the ARE? What division should you take first?

▶ 6.

What should you know about the rolling clock?

▶ 7.

Tell us your checklist for test day.

▶ 8.

What are some other resources you can use to help you understand everything you need to do to get licensed?

▶ 9.

Attendee questions...

THANK YOU!
